

## PLAYER REGISTRATION POLICY

*February 2019*

**Reviewed July 2022**

### INTRODUCTION

This policy serves to direct Burpengary Jets Netball Club, hereafter 'the club,' in relation to the seasonal registration of players.

### GUIDING PRINCIPLES

The following principles have been agreed to by the Committee and serve to direct the practical implementation of the seasonal registration of players.

1. 'Existing players,' defined as players who were registered with and played for the club in at least one of the two seasons preceding the one in question, shall be permitted to register, provided that:
  - a. They are in good financial standing with the club at the time of registration.
  - b. They are not subject to discipline from the club, any other netball club, or any netball association.
2. 'New players,' defined as those who have either not played for the club in one of the previous two seasons or are new to the club, shall generally be accepted if they are not subject to discipline from any other netball club and/or association.
3. The number of players registered shall be dependent on the number of coaches and teams the club is able to guarantee for the season in question.
4. While the club will do everything possible to allocate registrations to teams, if there are more registrations than can be accommodated priority will be given to existing players.
5. The club reserves the right to decline the registration of any player, existing or new, without having to explain such a decision; reasons may include:
  - a. Incompatibility with the values of the club.
